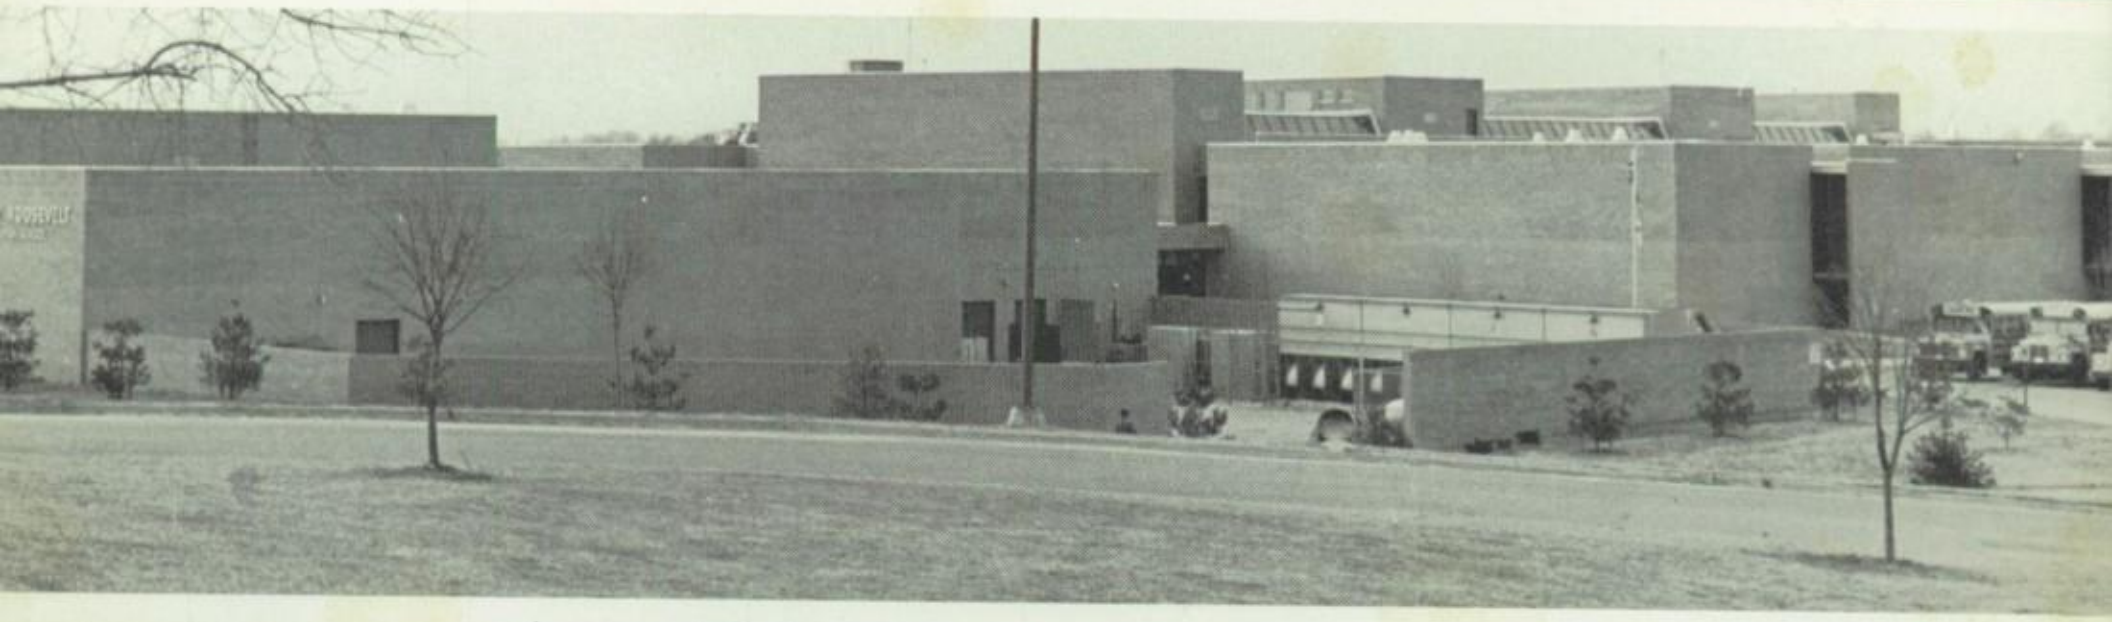
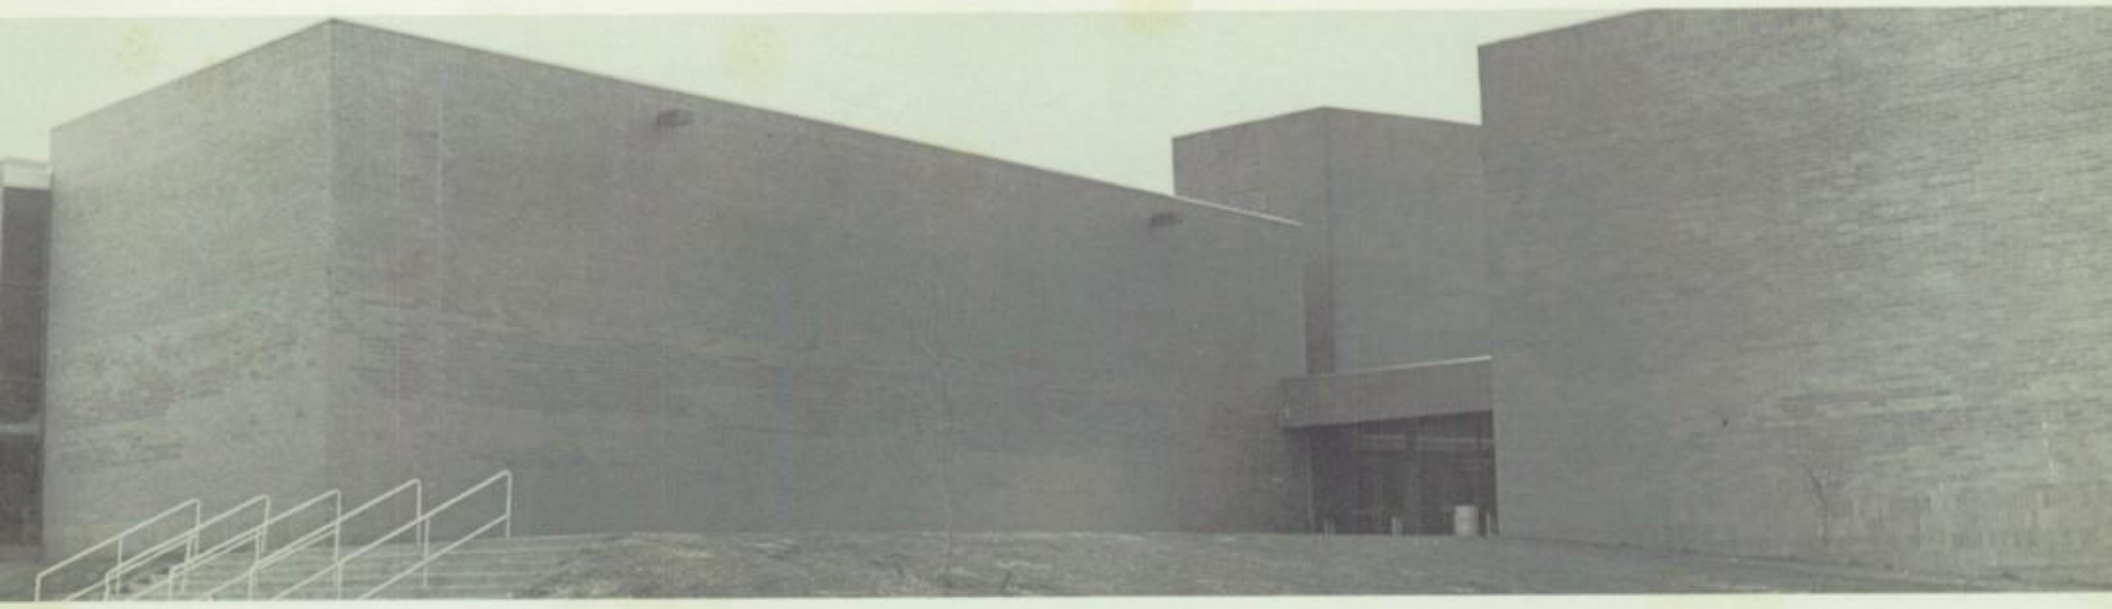
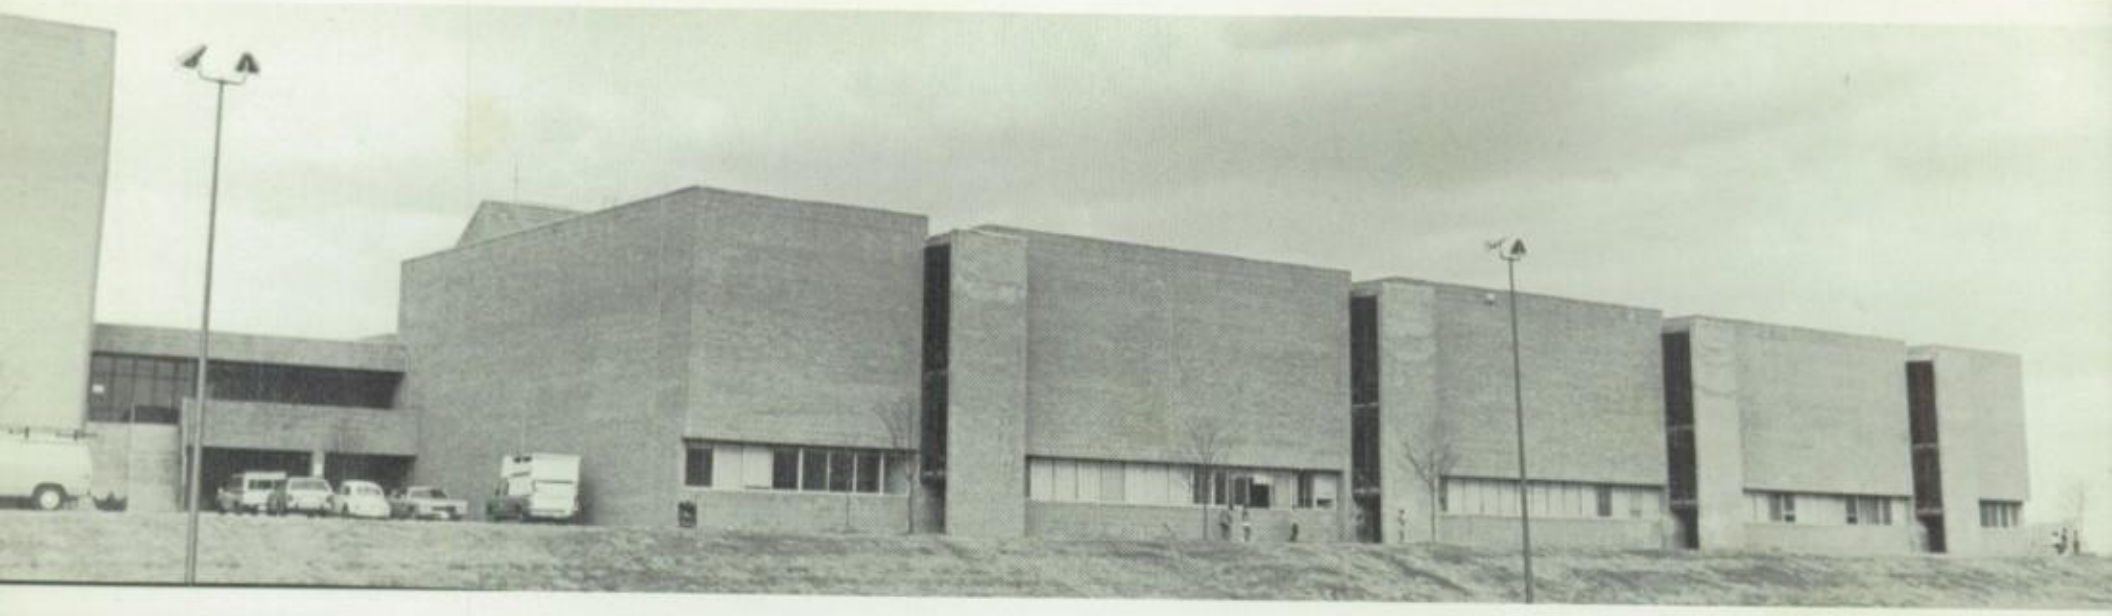
## Volume Five

## 1980-1981







As we began our school year, Ronald Wilson Reagan and James Earl Carter were in the midst of a presidential campaign from which Mr. Reagan would emerge victorious. Locally, Congresswoman Gladys Noon Spellman, campaigning for re-election, suffered a heart attack which kept her in intensive care for nearly two months and forced Congress to declare her seat vacant.

Several other major news events occurred during the year. In the state of Washington, Mount St. Helens destroyed miles of forests and sent volcanic ash and dust across the country during its tremors. United States diplomats, held for 444 days by Iranian revolutionaries, were all safely released amidst national celebrations and miles of symbolic yellow ribbons. The nation's space program launched the first successful flight of the space shuttle, and received data from two Voyager satellites which explained the mysteries of Saturn's moons and rings. The Soviet Union continued to send troops into Afghanistan.

Two major stars of the music world left us this year. Drummer John Bonham of Led Zeppelin died in his sleep in September. Later, music fans around the world were shocked to hear the news that ex-Beatle John Lennon was shot to death outside his apartment house in New York. Lennon's death created renewed cries for gun control in every legislative body in the nation.

In the entertainment field, the most-watched movie of the year was the sequel to *Star Wars, The Empire Strikes Back.* On television, the most popular show was the weekly prime-time soap opera *Dallas.* Millions of fans around the country were asking "Who shot J. R.?" when the series returned in September. Locally, the big entertainment news was the prospect of receiving cable television in county homes.

The 1980-1981 year was by no means an uneventful one.

The hockey team, supported by students at Eleanor Roosevelt, won the county championship once again this year. Although hockey is not a recognized school sport, the school spirit in this activity is equal to, if not greater than recognized school sports. Team members are required to pay for all their own equipment, rink time, and transportation. Congratulations!

Dervish B. Bernum was born on January 1, 1981 at one second after midnight thus being the first baby of the new year. It was shortly decided by his parents that Dervish needed an education to succeed in life, so they enrolled him in school. Being a Bernum he started at the top, as a senior at ERSH. The necessary steps were to fill out the registration forms and obtain a student number — 002754000. By the end of January, according to the computer Dervish was attending these classes:

| | | |
|---|---|---|
| 1 Construction | Templin | 011 |
| 2 English | Farrell | 211 |
| 3 Arts & Crafts I | Henderson | 014 |
| 4 Calculus | Agreen | 112 |
| 5 Graphic Communications | Rothman | 016 |
| 6 Student Assistant | Brylawski | 202 |
| 7 Geology | Strachan | 238 |

Dervish excelled in some areas but didn't do so well in others. On his first report card he received 3 A's, 1 B, 1 E, and 2 No Grades. Shortly the administration got wind of Dervish. He was called to the office by Mr. Clingon. Mr. Clingon became furious at Dervish and yelled questions at him, and then proceeded to suspend Dervish for 3 days when he became uncooperative by failing to answer the questions. After further interrogation, Mr. Clingon decided to permanently suspend Dervish from the Prince Georges County School System because he lacked his immunization (presenting a health hazard). He was later withdrawn on a T-22 (transfer to a state institution on an an educational program). Dervish is now recovering in the peace and quiet of home.

The class of '83 is well renowned as being the most spirited class at Eleanor Roosevelt. This year we have continued to prove ourselves.

We tied for first in the hall decorating contest, and our float won the second prize. We held a successful dance on Valentine's Day, and in the spring we sponsored a battle of the bands.

Overall it has been an exciting and profitable year!

# THE CLASS OF 1981

The Senior Class had a most hectic year as it carried out plans for the prom and graduation. Fund raising benefits included a T-Shirt sale, X-mas tree sale and the musical, *The Pajama Game;* all proving the magnetic success and efficiency of this class.

Two service activities were sponsored: a Christmas Party at the Emerson House for Senior Citizens and a Red Cross Bloodmobile.

The class also tied for first place in the Spirit Week Hall Decoration and easily won First Place in the Homecoming Parade!

The successes were many, and the defeats were few. The Seniors would like to thank those students, faculty and parents who contributed to this year's successes.

Leah Porter, President Michele Berke, Vice-Pres. Paula Brisco, Sec.; Susan Duffy, Treas.; Mrs. Kay Dannis, Sponsor. Activities Comm.: Bruce Thomas, Angelia Parraway, Lenora Roberts, Grover Wright. Grad Comm.: Jim Goff, Adrienne Twyman, Robin Madel; Prom Comm.: Frank Proctor, Melodie Lee, Billy Woods; Musical Comm.: John Mancuso, Vicky Snead.

# "Climb 'Til Your Dream Comes True"

Often your tasks will be many,
and more than you think you can do . . .
Often the road will be rugged
And the hills insurmountable, too . . .
But always remember, the hills ahead
Are never as steep as they seem,
And with Faith in your heart start upward
And climb 'til you reach your dream.
For nothing in life that is worthy
Is ever too hard to achieve
If you have the courage to try it
And you have the Faith to believe . . .
